At Least One Requirement Has Not Been Met

This student has an Educational Goal of Pre Engineering

This degree audit is made available for advising purposes only. It is highly recommended, as well as your responsibility, to meet with a college and/or departmental advisor once a semester to review your progress towards a degree.

Consult the UIC undergraduate catalog for additional graduation requirements and policies.

Final confirmation of degree requirements is subject to college approval. A degree audit is not an official document. Please report any errors to an academic advisor in your college/department.

× University Writing Requirement
Complete Academic Writing I and II

IP ... FA18 ENGL 160 3.00 IP >I Academic Writing I

× A grade of B or better in either HUM 101 or HUM 102 will satisfy the ENGL 161 requirement.

Select from: ENGL 161

× Foreign Language Requirement
A two-year sequence of college level foreign language (or equivalent) is required.

In-Prog: 4.00 HOURS

IP	×	Arabic, Chinese, French, German, Ancient Greek, 1) Modern Greek, Hebrew, Italian, Japanese, Korean Latin, Polish, Russian, Spanish							
		FA18 RUSS 101	4.00	IP	>I	Elementary Russian I			

*** **Quantitative Reasoning Requirement**
**Complete one course of at least three semester hours with
a grade of C or better.**

FA18	MATH 121	5.00	IP	>I	Precalculus Mathematics
------	----------	------	----	----	-------------------------

General Education Requirements

To complete the general education requirements for LAS, a minimum of 24 semester hours of credit is required and must include a total of nine courses: two laboratory courses in Analyzing the Natural World, one course in each of the other five categories and an additional two courses from among any of the six categories. If a course is listed in more than one category, that course may only fulfill the requirement in one category. Up to two courses in the major may apply toward general education. With a double major, two courses from each major may apply toward general education.

× **Analyzing the Natural World**
Two laboratory courses required. Lecture and laboratory count as one course.

- × **Select from:** ANTH 102(SU09 OR AFTER), 105 BIOS 100, 101, 104 CHEM 100, 105, 116, 118, 122 & 123,
